

## **Notice of future meetings**

There are so many great ways to learn and increase your CPD portfolio these days: You can read books, listen to podcasts, watch how-to videos, attend webinars, take part in 'in-house' training, just to name a few. Why bother with the time and expense of attending BSTP events?

### **Here are 7 reasons why you should attend events organised by the BSTP:**

- *Meet the speakers face to face and benefit from their experience*
- *Networking opportunities with your peers*
- *Learning in a new space to increase your knowledge on the subject matter*
- *Break out of your comfort zone to learn something new*
- *Invest in yourself to improve your employment opportunities*
- *Increased knowledge will help when sitting examinations*
- *The topics covered in some of these events are unlikely to be repeated*

---

### **32nd ANNUAL SCIENTIFIC MEETING OF THE BSTP Thursday 16th and Friday 17th November 2017 Knutsford, Cheshire, UK**

The topic for the BSTP's 32nd Annual Scientific Meeting is  
**'The Pathology and Toxicity of Biologics and Biotherapeutics'**

#### **REGISTRATION IS STILL OPEN**

The early registration fee is available until Sunday 1st October 2017 with registration closing on Sunday 22nd October 2017.

**This two-day conference will** provide an update of pathology and toxicity of biologics and biotherapeutics with talks from well respected national and international speakers.

The presentations will include:

- Biologics in the pharmaceutical industry
- Biologics to treat CNS disease
- In vivo clinical and microscopic manifestation of unexpected 'immune' related effects of biologics
- How ADA affects PK/exposure and risk assessment
- Lung pathologies of inhaled biologics
- Infections in NHP – how to translate to humans
- Immunomodulation in NHP: Practical consequences – how to run studies

The BSTP's Annual General Meeting will be held during this event.

If your company is interested in attending as a trade exhibitor or providing sponsorship for this event, please contact the BSTP Secretariat.

## **Notice of future meetings**

**CES 10: Endocrine System**  
**Tuesday 5th - Thursday 7th December 2017**  
**University of Cambridge, Cambridge, UK**

**REGISTRATION FOR THIS SYMPOSIUM IS NOW OPEN.**

The early registration fee is available until Sunday 5th November 2017 with registration closing on Sunday 19th November 2017.

This symposium will provide an in-depth coverage of endocrine system pathology including information on INHAND nomenclature for the pituitary, thyroid, parathyroid, adrenal and pancreas in rodents; assessment of circulating hormones in nonclinical toxicity studies – study design, analysis and interpretation; an overview of endocrine disrupters; adrenocortical toxicology: mechanisms and significant findings, risk assessment; use of molecular markers, IHC and morphometry; genetic basis of metabolic disease, type 2 diabetes and obesity. There will also be interactive sessions and workshop/case presentations on endocrine system problems which will form an important part of the symposium.

This symposium is **the** event for toxicological and discovery pathologists (and other scientists working with animal models), clinical pathologists and toxicologists as well as non-clinical regulatory scientists to learn about recent scientific advances. As well as providing CPD for experienced members of the profession, the symposium is open to students/residents and those at the start of their pathology career.

**CES 11: Lymphoid & haemopoietic systems**  
**Tuesday 20th – Thursday 22nd March 2018**  
**University of Cambridge, Cambridge, UK**

**CES 12: Musculoskeletal System, Skin and Mammary Gland**  
**Tuesday 10th – Thursday 12th July 2018**  
**University of Cambridge, Cambridge, UK**

**BSTP 33rd Annual Scientific Meeting & AGM**  
**November 2018**

**BSTP – Mouse Models of Disease**  
**December 2018**

Details of future meetings are correct at the time this information is generated, the organising society will not be held responsible for any changes to dates, venues and topics of these meetings.

**For further information on any events organised by the BSTP, please contact the BSTP Secretariat - [bstpoffice@aol.com](mailto:bstpoffice@aol.com) or check out the website - <http://www.bstp.org.uk/bstp-events/>**
